

Curriculum vitae professional Europass

Personal Information

Name, Given name	DOU Henri Jean-Marie
Address	2106 Chemin de la Bégude – 83740 La Cadière d'Azur France
Telephone	0033(0)612893181
Email	douhenri@yahoo.fr
Nationality	French
Date of birth	May 14th 1939
Sex	Male

Fields of competence

Competitive Intelligence – Technology survey – Regional Development – clusters – APA (Automatic Patent Analysis) – Information systems for the Regional Development – Application to Indonesia, Brazil, China, Malaysia, Vietnam, France, Africa and Indian Ocean.
International development (Competitive Intelligence and governance).
Clusters Development. Triple Helix
Chemistry : organic, petroleum and coal, biodiesel, information.

Professional experience

Wide international experience Asia, South America, North America, USA and Canada, Africa
Professor Emeritus (Paul Cézanne)
Research Professor Peking University, China
Professor Adviser OUM Open University of Malaysia
Honorary Professor Zao-Zhuang University, China
International consultant Director of ATELIS (ESCEM Business School AACSB),
Expert WIPO (World Intellectual Property Organization)
Development of the CRPHT (Centre de Recherche Public Henri Tudor, Luxembourg – CVT Center)
Operations manager near the Chemical Direction of the CNRS, and after near the General Direction, General Secretary of the first “action of transfer”
CNRS – Industry, (Rhône Poulenc – CNRS)
French representative at the international oceanographic commission
General Secretary of the ChiN (Chemical Information Network, UNESCO)
In Charge of the study of the Coal's CNRS-Cerchar plan to the USA.
Orientation of 104 PhD among them 60 with industrial collaboration

	<p>(Conventions CIFRE and international grants). Development of the Competitive Intelligence in Brasil (DEA and course lato sensus) in collaboration with INT (Instituto Nacional de Tecnologia), French Consultant (Chemistry) of the SDC's group (System Development Corporation (USA) Member of the Steering Committee of Economic en Intelligence of the Regions PACA and Centre (in France) Development of various strategies in Continuing Education (online, offline)</p>
Dates	<p>From 2011 to 1965 To date</p>
Occupied functions	<p>Director of ATELIS (ESCEM) Research Professor Peking University Professor Advisor OUM Open University of Malaysia Honorary Professor University Zao-Zhuang, China Member of the IAB (International Advisory Board) of the Ministry of Science and Technology of Vietnam. Expert OMPI (Organisation Mondiale de la Propriété Intellectuelle) President of the SFBA (French Society of Applied Bibliometry)</p> <p>Former positions Director of research at the CNRS (Direction of Research and Operation Manager near the General Direction) Professor University Aix Marseille III (Director of the CRRM) Professor Emeritus (Paul Cézanne) Expert near the "Cour d'Appel" d'Aix en Provence Founding Editor of the Journal of Intelligence Studies in Business Member of various boards of Scientific Journals</p>
Main activities and responsibilities	<p>Education and Research (Chemistry from 1965 to 1980) - Competitive Intelligence, Regional Development (from 1983 to date) Consultant. (Competitive Intelligence, Regional Development, Information Systems for Competitive Intelligence and Technological Surveys) Coordination, Innovation, International Development (Education and Research) South America (Brazil, Chile) and Asia (Indonesia, China, Malaysia) Indian Ocean (Madagascar) Africa as WIPO Expert (SMEs) French Expert, Franco-Chinese Committee of Competitive Intelligence</p>
Name of the employers	<p>From 1964 to 1985 CNRS, Centre National de la Recherche Scientifique (Director of Research), from 1986 to 2006 University Professor (Aix-Marseille III), 2007 to date Director of ATELIS (ESCEM) and various (see above)</p>
Type or branch of industry	<p>Technology survey, Technical information, Competitive Intelligence, Competitive Technical Intelligence, Regional Development, Sustainable Development, Chemistry, .</p>

Education and formation

Dates	1963-1964
Diplomas	Licence Sciences - Diplôme d'Ingénieur en Pétroléochimie et Synthèse Organique Industrielle (Ingenieur in Petroleochemistry and Organic Synthesis)
Dates	1964 – 1965
Diplomas	DESS and Certificat de Chimie Organique Approfondie (Certificate of specialized organic chemistry)
Dates	1968
Diplomas	Doctorat d'Etat (State Doctorate) (in part in Canada, University St François Xavier)

Additional details

Distinction : Palmes Académiques
Languages: French, English, Portugues

Scientific production :

Information Science (Technological Survey, Competitive Intelligence, Patents mapping and information analysis), more than 200 publications, 6 books plus various chapters. More than 50 international conferences (invited speaker)

PhD : 104 Directed PhD.

Chemistry (1965 -1982), more than 200 scientific papers and Book's Chapters
